What is Bridging the Gap youth camp?

Bridging the Gap was established in 1998 by a youth pastor who was tired of doing camp the same old way. (Where the students go for a week and get FIRED up for Jesus just to come home and live the same life as before.) Bridging the Gap is designed to bring students and youth ministries together by promoting team unity while attempting to deepen every camper's walk with Christ.

Here are some interesting facts about the camp:

- The camp has a counselor to camper ratio of 1 to 6
- It is a team focused camp and it is physically and spiritually demanding and requires late nights and early mornings! (Good attitudes are a must)
- There are at least 4 Rally times where the word of God will be presented as well as several opportunities of team devotionals quiet time for reflection and growth.

Team Events will include

Swimming

Volleyball

Trivia

Dodge ball

Kick Ball

Lindsey Ball

Water balloon launch

The Shelby's Feet Memorial

And many more!
